Serena,

Thank you so much for the heads up. I have a few questions:

- 1) Do you know approximately how long the hearing will last?
- 2) Is this an invitation simply to attend the hearing, or to speak as well?

Thanks!

We have no idea how long it will take. Mostly, due to the fact that the defense will probably try not to have the hearing tomorrow and the calendar is heavy for the court.

I do not believe that any one will be allowed to speak by the court. The defense will be trying to get additional time and we will be fighting for the hearing. I think the court may leave it at that. It is my belief that nothing will begin before 9:30, the court may wish to deal with other cases first.
